250 Lawrence West Update

We have not yet had a ruling by the OMB/LPAT adjudicator with regard to this proposed high rise. A big thank you again to the many people who attended this multi-day hearing, donated funds so the community could be professionally and independently represented by both a lawyer and planner, and who volunteered in many capacities.

This was indeed a community effort involving the three local resident groups: Lytton Park Residents' Organization (LPRO), Old Orchard Grove Residents Association (OOGRA) and South Armour Heights Residents' Association (SAHRA), Rosewell, Bedford Glen and many, many others.
