Dear Members of North York Community Council:

Request for deferral of the following Agenda Item for 8 January 2020:

NY12.3 Final Report - Official Plan Amendment and Zoning Amendment Applications - 2490-2514 Yonge Street, 10-12 Castlefield Avenue, and portions of 20 Castlefield Avenue and 567-Duplex Avenue (Ward 8 - Statutory: Planning Act, RSO 1990)

Reason for Deferral: Lack of Public Notice for Official Plan Amendment – Report received with only 4 days' notice, not the minimum 20 days

North York Planning did not follow the Official Plan which requires that its materials and related documents be made available to the public for review at least 20 days before the statutory meeting, and as committed to by City Planning. The Planning Report for Action on this development proposal was dated January 3, 2020. This was made available to the public only four days prior to the North York Community Council meeting of January 8, 2020.

We, therefore, request that this item be removed from the agenda of the January 8, 2020 meeting, and deferred until the public has the minimum 20 days to review the report related to an Official Plan amendment.

The Official Plan states the following:

Chapter 5 Implementation - Making Things Happen

5.5 The Planning Process

“The application materials and related documents will be made available to the public in accordance with the requirements of the Planning Act and the provisions of this Plan”

Policies

1) Public Involvement

“A fair, open and accessible public process for amending, implementing and reviewing this Plan will be achieved by”.....:

“iv. Ensuring that draft Official Plan amendments are made available to the public for review at least twenty days prior to the statutory public meetings...”

The notice for the Public Realm and Built Form

Sincerely,

Maureen Kapral
