Dear Councillor Colle and Linda McCarthy:

**250 Lawrence Ave: Exit onto Lawrence Ave – No Left Turn Permitted**

We ask that Councillor Colle bring forward a motion to North York Community Council or to City Council, if such is needed, to prohibit left turns at all times from 250 Lawrence Ave.

When the previous medical office building was located at 250 Lawrence Ave, it was prohibited to make a left-hand turn from their parking lot onto Lawrence Ave. A left turn necessitates cutting across two westbound lanes of heavy traffic, and then merging into two equally busy eastbound lanes. Making a left turn from 250 Lawrence presents a danger to drivers and pedestrians in this heavy traffic area close to the Avenue Road/Lawrence Ave intersection. TTC buses run along Lawrence Ave. School children cross Lawrence Ave from three schools that are just south of 250 Lawrence: Glenview Senior Public School, Lawrence Park Collegiate Institute, and Havergal College.

Thank you for your support of this safety initiative.

Sincerely,  
Arlena Hebert  
President, Lytton Park Residents' Organization
